

College of Law Practice Management
Content Generation Committee Charter
April 2020

Mission

The Content Generation Committee organizes webinars and other content production opportunities for College of Law Practice Management (COLPM) Fellows to share their expertise with the rest of the COLPM. These resources help strengthen relationships and build a sense of community among Fellows by creating opportunities beyond the annual Futures Conference for Fellows to educate one another about their respective fields of law practice management.

Membership

The committee is composed of five members, two of whom are Trustees and three of whom are other Fellows.

The committee is led by a Chair, who is a Trustee.

The Trustees appoint the Chair and other members.

Each committee member serves a three-year term, staggered such that every year, one or two members rotate(s) off the committee. The inaugural committee in April 2020 has one member whose term expires in 2021, two members whose terms expire in 2022, and two members whose terms expire in April 2023.

Responsibilities

The committee will periodically solicit names of Fellows able and willing to present webinars or generate other types of content. The committee will then plan the content

production plan for the upcoming six-month period and arrange for the content to be produced. The committee will also work with the COLPM Administrator to post online links to the content.

The committee will provide a brief written report of its activities to the Board of Trustees before each meeting of the Trustees.

Committee meetings

The committee will meet at least quarterly. A majority of the committee members shall constitute a quorum. The committee Chair will keep a copy of the committee meeting minutes and forward a copy to the Secretary of the Board of Trustees. The committee chair may invite any director, officer, staff member, expert or other advisor who isn't a member of the committee to attend, but these individuals have no voting power.

The committee will review its charter at least biannually and recommend any proposed changes to the board for review.

Charter history
